FHS BANDS – PRACTICE RECORDS

Practice on ALL Band music or private lesson music counts towards practice records. Time spent in rehearsals/private lessons also does not count as practice – practice is defined as the time you spend alone (with no distractions!) working on your music. If you have questions about what counts towards practice records, please ask Mr. Johnson. Practice records will be worth 40% of your grade for band.

All Bands: 150 minutes required per week

Grading Scale:

135-150 minutes (A), 120-135 minutes (B), 105-119 minutes (C), 95-104 minutes (D), 95 and below (F)

Practice records are due on the first day of the week you have band class (either Monday or Tuesday). They will be accepted up to one day late for a one letter grade penalty; no practice records will be accepted for credit after Wednesday. Parents – please sign the record as verification of your student’s practice. *Practice records without parent signature will not be accepted! (please get in the habit of signing on Sunday night).*
